| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall <a href="#">deductible</a> ?                                | No Deductible  | You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <b>deductible</b> |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | No.  |   |
| Are there other <a href="#">deductibles</a> for specific services?              | No   | The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for your health care expenses  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | There is no out-of-pocket limit for the plan   |   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, balance-billed charges, Prior Authorization Penalties, and health care this plan does not cover. | Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .  |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes, when utilizing a network provider, a discount is applied.   | There are no benefits for out-of-network services   |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No   | Has to be an in-network specialist for the service to be covered by the plan  |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
